DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents**Appeal Return To the Examiner**

The instant application was remanded to the Examiner from the Board of Patent Appeals and Interferences because on May 3, 2004, Appellants filed a Renewed Petition Under 37 CFR 1.137(b) alone with a Terminal Disclaimer and authorization to charge a PTO Deposit account any fees in connection with the Petition and any additional fees, which may be required. There was no indication on the record that the Terminal Disclaimer ~~was~~ processed since a fee associated with this paper was not located. However, the Terminal Disclaimer cannot be processed for the reasons disclosed below.

Terminal Disclaimer Not Proper

The application/patent being disclaimed has not been identified.

The Terminal Disclaimer does not comply with 37 CFR 1.321(b) and/or (c) because: (1) The Terminal Disclaimer fails to identify the patent and complete claim or claims, or term being disclaimed. A Terminal Disclaimer which is not a disclaimer of a complete claim or claims, or term will be refused recordation; (2) The Terminal Disclaimer is not accompanied by the fee set forth in § 1.20(d). A proper Terminal Disclaimer is requested.
